

Training teachers to use the European Language Portfolio

Questions to consider when drafting your action plan

- Why? Reasons for the project
- What? Project goals
- Who? Target group
- How? Project procedures
- When? Time frame
- Project title?

Below are some of the factors that will have a bearing on the success of your future action. Identify:

- The three factors that will be most helpful in your local context. Why are they helpful?
- The three factors that will be most challenging in your local context. Why are they challenging?
 - Current language teaching policy and tradition
 - Current ELP use
 - The syllabus
 - Textbooks and other teaching and learning materials
 - Teacher education
 - Teacher trainers' experience and attitudes
 - Teachers' experience and attitudes
 - Learners' experience and attitudes
 - Views of parents, employers, public
 - Resources available (e.g., professional journals, study materials, administration, budget)
 - Other issues
