General view of our school. IES PÉREZ COMENDADOR in Plasencia. District of Cáceres.

Our region is called Extremadura. As you can see, it is not far away from Portugal.

Plasencia is located in northern Extremadura, 130 kms away from Salamanca and 230 kms away from Madrid. It is the most important town in the area

PICTURES

The school car park. On the side of the building you can see the name of our school.

From the beginning of this year our school has become a bilingual Spanish-English section.

This is the main entrance. The school timetable lasts from 8:30 am to 2:15 pm

Going upstairs you can find our group -1st A -classroom

There are plenty of computers in our classroom. Two students share one each. We are learning to use them. They work with LINUX Operating System. In our region LINUX is called LINEX.

Another picture of our classroom
